

**Are you interested in playing table tennis in Germany?**

**Who are we?**

We are an open-minded, social and competitive table tennis club in Baisweil, that is in the south of Germany, close to Munich. We have around 50 members of all ages. We would like to bring table tennis, party and culture together.

**Our goal**

We are looking for a partnership with a Swansea table tennis club. Once a year we would like to have a weekend when we will have a game and do trips in Bavaria together. Close to our village you can find many tourist spots like Castle Neuschwanstein, Munich, the beautiful mountain landscape or the Bavarian beer culture.

## Key info

**Time:** End of August or beginning of September 2018

**Minimum expected costs:** for flights and food

**Accommodation:** will be provided and transport to the tourist points
